

MiTeknology Trailer

The MiTeknology trailer is coming to your city September 2012.

Look for our commercial and residential audio technologies under one roof.

We are bringing the best from Atlas Sound, MTX, DCM and Musica:

- Outdoor speakers from small 4 inch to the monstrous dual 12 inch stadium horns*
- Indoor speakers from residential in-ceiling to the industry standard 70volt commercial speakers*
- Innovative amplifiers like the pole mounted commercial models and the new F6 hot swappable frame amps*
- Racks, mic stands, and more...*
